- (**) This request was made by the St. Clement athletic board in November, 2005
- (***) Blessed Sacrament, St. Catherine & St. Clement will combine beginning in 2009.
- Any players wishing to play who attend school at St. John Academy or Sylvania Franciscan Academy shall play for the parish closest to where they reside.
- Those wishing to play who are members of a non-territorial parish (St. Patrick Historic, Corpus Christi, St. Joseph – Downtown,...) shall play at the parish closest to where they reside.
- Any player from a parish, which is not listed above, must contact the CYO office before they are allowed to practice for any CYO team.
- Any player who played football for a sponsoring parish last season (2008) will have the opportunity to play for that same team again this season, but must submit a “Transfer Application” to the CYO office **before they begin practicing.**
- If any of the above sponsoring parishes does not have enough players to field a team or a parish listed as an additional parish has enough players to field their own team the CYO staff will make necessary adjustments to the above list.
- Playing time and/or conflicts with a coach will not be means for the above list being changed or adjusted. The same is true for transportation issues.
